ARTICLE 1 - PURPOSE

1.01 Purpose of Agreement

The purpose of this Agreement is to establish and maintain mutually satisfactory working conditions, wages and benefits for the employees, to maintain collective bargaining relations between the University and the Union and to provide machinery for the prompt and equitable disposition of disputes.

1.02 No Conflicting Agreement

No employee shall make any written or verbal contract which may conflict with this Agreement.

ARTICLE 2 - DEFINITIONS

2.01 Employees

(a) Employee: The term "employee" shall mean any person employed by the University whose position is included in the Union by:

- (i) the certification granted to the Union by the Labour Relations Board of British Columbia; or
- (ii) any decision by the Labour Relations Board of British Columbia that alters the original certification granted to the Union.

(b) Continuing Employee: A continuing employee shall mean an employee hired with no predetermined termination date.

(c) Temporary Employees: A temporary employee is an employee hired with a predetermined termination date. If temporary employment continues for longer than four (4) months of continuous employment in the same position, the employee shall be considered a "continuing employee." The benefits and pay in lieu of benefits for temporary employees will be as per Article 52.

Change(s) in position number or minor changes in job duties shall not be considered a change in position for the purpose of the definition of "continuing employee."

No full-time position shall be filled for a period of more than four (4) months by terminating and rehiring the same temporary employee, or by terminating and hiring a series of temporary employees.

Notwithstanding the preceding paragraph, in special cases, a temporary non-recurring full-time or part-time position may be created for a period of more than four (4) months but no more than twelve (12) months. Job postings for such positions shall state the predetermined termination date. The Union shall be given a written explanation of the special circumstances of each such case. Employees filling such positions will become continuing employees after four (4) months as outlined above. However, such an employee will not be eligible for involuntary transfer upon reaching her/his predetermined termination date, but she/he will be placed on the laid off list, and if the position is reopened, the employee shall be recalled to that position as outlined in Article 14.

(d) Full-Time Employee: A full-time employee shall mean an employee whose work week averages 35 hours (excluding overtime). (Includes continuing and temporary employees.)

(e) Part-Time Employee: A part-time employee shall mean an employee whose work week averages less than 35 hours (excluding overtime). (Includes continuing and temporary employees.)

2.02 Time

(a) "Day" shall be the period from 0001 hours to 2400 hours.

(b) "Week" shall be the period of time from 0001 hours Monday to 2400 hours the following Sunday.

(c) "Bi-weekly period" shall be a period of time consisting of two (2) consecutive calendar weeks.

(d) "Month" shall mean a calendar month.

ARTICLE 3 - UNION RECOGNITION AND CHECKOFF OF UNION DUES

3.01 Union Recognition

The Union is the sole bargaining authority for all employees of the University for which the Union is certified under the Labour Code of British Columbia.

3.02 Authorization for Checkoff

All employees will be required to sign an authorization for dues and assessments deductions. A copy of this authorization will be sent to the Union.

3.03 Deduction of Dues

The University shall deduct Union dues and assessments bi-weekly.

3.04 Transmittal to Union

Before the fourth (4th) working day of each month, the University will forward the collected dues, by cheque, to the Treasurer of the Union, together with a detailed list of names, home addresses, Social Insurance Numbers, departments and amounts deducted.

3.05 Year-End Statement of Members' Dues Deduction

T-4 income tax forms issued to employees will include the amount of Union dues deducted in the previous calendar year.

ARTICLE 4 - UNION SECURITY

4.01 No Discrimination for Union Activity

There shall be no discrimination against or intimidation of any employee for reasons of union membership or union activity, or for the exercise of rights provided for in this agreement or in the Labour Relations Code of British Columbia.

4.02 Membership Requirements

(a) Current Employees: Employees who were members of the Union on and after April 20, 1975 shall continue as members of the Union.

Employees who were members of the bargaining unit on April 20, 1975, but who were not members of the Union on that date shall not be required to join the Union, but shall be required to pay any dues, fees or assessments to the Union.

(b) New Employees: Employees hired after April 20, 1975 shall become Union members within two (2) weeks of their date of hire, and shall maintain membership in the Union throughout their employment.

(c) The Union shall not, without good and sufficient cause, refuse an employee applying for membership, nor suspend and expel from membership any member without cause.

4.03 Notification by the University

The University agrees to notify the Union, by electronic mail or data transfer where practicable, or else in writing, within five (5)

working days, of the name, position and location of each employee who resigns or is hired, promoted, transferred, demoted, laid off, recalled, suspended or terminated.

4.04 Union Representatives

(a) Recognition: The University recognizes Stewards and other Union representatives selected by the Union for the purpose of representing employees on matters pertaining to these Articles of Agreement, and shall not discriminate against such representatives for carrying out the duties proper to their position. Shop Stewards shall be selected from members of the bargaining unit.

(b) Limitation: The number of Stewards recognized by the University shall not exceed ten (10) percent of the employees at any one time.

(c) Notification: The Union will provide the Human Resources department with a minimum of 1 week's notice of the appointment or election of an employee to any Union representative position prior to the representative performing any duties on behalf of the Union. The notification will identify the position or duty which the employee will be undertaking. If such notice is not received by Human Resources, the employee will not be given recognition as a Union representative. The one week notice period may be reduced by mutual agreement between the parties. Within one week after an employee ceases to be a Union representative, the Union shall notify Human Resources about the change in status.

(d) Responsibility: Stewards shall be granted reasonable time during regular working hours to perform their duties within their unit, without loss of pay. Such granting shall not be unreasonably withheld.

(e) Where the required arrangements have been made for time off during working hours to perform Union duties, such time off shall be given without loss of pay for:

- (i) stewards to perform their duties within the unit in which they work in accordance with 4.04(d) above or in another unit at the same work site if the local steward is not available;
- (ii) Union representatives who are members of a joint committee to attend any joint meetings of their committee provided that the committee was established in order to comply with the terms of this collective agreement or was established

by the University through the Director, Human Resources or his designate;

(iii) any Union representative to attend a joint meeting requested by either party and agreed to by the Director, Human Resources or his designate and a member of the Union Executive (excluding contract negotiations meetings which are governed by Article 6.03(g) and grievance/arbitration meetings/proceedings which are governed by Articles 9 and 10);

(iv) any Union representative to attend a joint meeting for consultations required under this collective agreement;

(v) a Union representative to meet with new employees in accordance with Article 6.03(a) provided that the meeting is at the work site where the Union representative works; and

(vi) any other situation where time off without loss of pay is specified in this collective agreement.

4.05 Observation of Picket Lines

(a) Observation No Breach: Failure of an employee to cross an established picket line shall not be considered a breach of this Agreement. No employee shall be discriminated against for her/his failure to cross an established picket line. Employees who observe picket lines shall be recorded as being absent without pay.

(b) Other Bona Fide Picket Lines: Where the picket line is a result of actions of persons other than the C.U.P.E. Local 3338 members, the C.U.P.E. Executive will advise the University whether or not they regard the picket line which has been set up as a bona fide picket line.

(c) C.U.P.E. Authorized Picket Lines When a Union authorized picket line is to be set up, the University will be provided with a statement, giving the location, and reasons for the picket line.

(d) Insured Benefit Premiums: During the observation of picket lines, both the employee and University premium contributions to all insured benefit plans shall be paid by the University. Upon return to work, the employee shall reimburse the University for the entire amount of employee and University premium contributions by payroll deduction over the number of pay periods equal to the number of months and/or part of a month that the employee honoured the picket line.

(e) Conditions for Illness or Injury: During the observation of picket lines, the Sick Leave provisions are suspended. If during the observation of picket lines, the twenty-six (26) week qualifying period for Long Term Disability is met, the employee may apply for Long Term Disability benefits. If following the withdrawal of picket lines, an employee is unable to return to work due to illness or injury, the employee shall be entitled to the balance of paid sick leave which has not been used for that illness or injury in accordance with Article 35 provided that the employee has not applied for Long Term Disability benefits.

(f) Essential Services: Also, during such period, any essential services which are the subject of Letters of Understanding between the parties, will be maintained.

4.06 Reductions in the Workforce

The University will not reduce the workforce, through layoff or attrition, without a corresponding reduction in the workload, except in those cases where the parties to the Agreement have discussed the proposed reduction.

In the event that the workforce is being reduced, the University will provide the Union with advance written notice of any services or functions that will be discontinued.

ARTICLE 5 – NEW EMPLOYEE ORIENTATION

- (a) All new continuing employees and new temporary employees with assignments longer than three continuous months shall attend paid orientation.
- (b) The University reserves the right to change an employee's regular schedule to accommodate the orientation time in a reasonable manner and will make every reasonable effort to provide as much notice as possible of schedule changes. With the exception of 26.02 – Split Shifts, Article 25 and 26 do not apply for the purposes of schedule changes to accommodate orientation, unless the schedule change results in the employee working longer hours above the regular work day.

ARTICLE 6 - UNION/UNIVERSITY RELATIONS

6.01 Union Business

Union business shall not be conducted on employees' scheduled working time, except as otherwise provided for herein.

6.02 Union Communications

The University will provide the following of its facilities to assist the Union with communications and the conduct of its business.

For bulk campus mailings the Union must provide the manager responsible for the Mail Room with written notice five (5) working days in advance of each mailing. The written notice on bulk mailings can be provided as an electronic message to the manager.

6.03 Union Activity

- (a) New Employee Information Meetings: The University agrees that a Union representative shall be allowed approximately one (1) hour to meet with new employees to explain the functions of the Union and sign new employees into the Union. This meeting will be held at the orientation in accordance with Article 5.
- (b) Executive Contacting Members at Work: Members of the local Union Executive, on matters respecting this Agreement or its administration, shall have the right:
 - (i) to make a reasonable number of phone calls and electronic messages to employees at work.

(ii) to confer privately with employees during working hours, providing they have made prior arrangements with their respective supervisors.

(c) Representatives or other advisors chosen by the Union shall have access to University premises in order to meet with Union and or University representatives. Meetings with Union Representatives during working hours are subject to prior arrangements being made with the respective supervisor. Meetings with University representatives must be arranged in advance with the Director of Human Resources or his delegate.

(d) Leave of Absence for Union Office: An employee who is elected by the Local or selected by the Local to a full-time position with Local 3338 shall be granted leave of absence provided:

(ii) The Local shall request in writing each year a renewal of such leave at least thirty (30) working days prior to the expiration of the leave.

(iii) It is understood the employee may return to her/his former position upon completion of her/his term of office.

An employee must request such leave at least thirty (30) working days prior to the start of the leave. Such leave may be renewed each year on request during his or her term of office. The employee upon completion of the leave shall be placed on the laid off list.

(e) Short Term Leave for Union Business: The University agrees to grant representatives of the Union leave of absence to attend

union conventions or to perform other functions on behalf of the Union, in accordance with the provisions of this Article 6.03(e).

Employees may make requests for short term leave for union business, and such requests shall not be unreasonably denied. Such requests should be made as far in advance as possible, however it is understood that in cases of emergency, advance notice may not be possible.

The Union will be charged for salary maintenance of its representatives.

(f) Union Office: The University will endeavour to provide suitable office space for rental to the Union.

These individuals may, if they wish to be considered for further temporary work, register with Human Resources indicating their availability. When filling temporary vacancies, primary consideration will be given to availability, ability and qualifications. When two or more individuals have registered for temporary work and are available and considered to have equal ability and qualifications, the individual with the greater seniority shall be appointed. Appointments to temporary part-time positions will be subject to 13.01(c) below.

(c) For temporary part-time work, the University shall, wherever possible, and without regard to seniority, give priority to students with the necessary ability and qualifications. In addition, a student who has worked in the hiring department and who has performed satisfactorily shall be given hiring priority over a student who has not worked in that department.

The meeting will take place within ten (10) working days of the request. The time limits in this paragraph may be extended by mutual written agreement between the University and the Union.
- (g) The University shall notify the Union in writing of the discontinuation of any vacant position as soon as the decision is made to discontinue the position.

13.03 Continuing Employees and Temporary Appointments

- (a) Except for 13.03(b), if a continuing employee is the successful applicant for a temporary vacancy, then prior to accepting the appointment the employee may submit a written request to her/his current supervisor for the opportunity to return to her/his continuing position at the end of the temporary appointment. (c) 13.03 (a) and (b) shall not apply to employees on probation or a trial period.

13.04 Promotion

(a) Definition: The movement of an employee from one position to another in a higher salary grade, other than by reclassification.

(b) Both parties agree:

(i) with the principle of promotion within the service of the University and,

(ii) that job opportunity shall increase in proportion to the length of service.

Promotions shall be based equally on ability, qualifications and seniority.

(c) When making promotions the University shall give primary consideration to the ability and qualifications of applicants. If after such consideration two or more applicants for a position are considered to have equal ability and qualifications, the one with the most seniority shall receive the promotion.

(d) In any arbitration, pursuant to this provision, if the Union is able to demonstrate that the senior applicant has the required ability and qualifications to perform the job, the University must establish that the grievor's ability and qualifications are not equal to those of the successful applicant.

13.05 Temporary Promotion

(a) Definition: The movement of an employee from one position to another in a higher salary grade, (other than by reclassification), for a period of time after which the employee is to be returned to the position and pay rate held prior to the promotion (allowing for step increases earned through accrual of classification service during the promotion).

(b) The rate of payment for a temporary promotion shall be in accordance with the conditions of 13.07 (Salary Adjustment), and

shall apply for the duration of the temporary promotion provided that the period is equal to or greater than thirty-five (35) hours.

13.06 Demotion

(a) Definition: The movement of an employee from one position to another in a lower salary grade, other than by reclassification.

(b) Any employee shall have the right to apply for a vacant position in a lower salary range and classification, subject to the conditions of "promotion", Article 13.04.

13.07 Salary Adjustment

(a) The salary of an employee promoted to a higher classified position shall be increased to the closest increment step in the higher pay grade that provides for a minimum increase of five (5) percent bi-weekly.

(b) Where an employee has advanced from a recognized "training" position, the employee's salary shall be increased to the closest increment step in the higher pay grade that provides for a minimum increase of five (5) percent bi-weekly.

(c) If an employee chooses to apply for, and receives, a position in a lower classification, the salary shall be that of the lower classification. The employee's classification service in her/his previous position shall apply in the lower classification.

(d) When an employee moves into a position on a continuing basis, she/he shall be given increment service credit for service in any temporary assignment in the same position provided that the temporary assignment ended no more than six (6) months prior to the start date for the continuing appointment.

13.08 Transfer, Definition

(a) Definition: A change from an employee's position to another in the same salary grade via the job posting procedure or as otherwise specified in this contract, e.g. 14.04(b)(i).

(b) Any employee shall have the right to apply for a vacant position in the same salary range and classification, subject to the conditions of "promotion", Article 13.04.

13.09 Status Upon Movement to Temporary Position

An employee will be allowed to maintain her/his continuing status when the employee permanently leaves her/his continuing position and moves (voluntarily or involuntarily) into a temporary

assignment. This status will apply to the first temporary assignment and only if there is no break in service between the continuing assignment and the temporary assignment.

An employee who voluntarily leaves a continuing position to move into a temporary assignment without a break in service shall have the same status as an employee who has resigned from a continuing position upon the termination of the temporary assignment (ref. Article 12.06).

13.10 Transfer or Promotion Outside the Bargaining Unit

- (a) No employee shall be transferred or promoted to a position outside the bargaining unit without her/his consent. If the employee is transferred back to a position inside the bargaining unit, seniority will have accrued during the period of transfer or promotion.
- (b) The provisions of 13.11 (b) will apply to an employee who has been transferred or promoted outside of the bargaining unit in accordance with 13.10 (a) above. The trial period in a position outside of the bargaining unit will be of a duration specified in the terms and conditions of employment governing the position into which the employee has been transferred or promoted.
- (c) Article 13.03 (b) shall apply to continuing employees who are successful applicants to positions outside of the bargaining unit.

13.11 Trial Period

(a) Definition: That initial one (1) month period in each position held by the same employee during which the employee finds whether or not the job is satisfactory, and the University finds whether or not the employee is able (or will be able with the job orientation) to meet the basic job requirements.

For a part-time employee the trial period will be one hundred and fifty-two (152) hours or two (2) months whichever is less, unless the trial period is extended in accordance with Article 13.11 (b) below.

(b) When promoted, transferred, voluntarily demoted, reinstated to a new position, involuntary transferred, or rehired through the job application procedure from the laid off list, the employee shall be on a trial period for one (1) month, (except as in 13.11(c)). If during the trial period the employee finds the job unsatisfactory, or is unable to meet the basic job requirements, where possible, she/he

shall be returned to her/his former position or to one of at least equal salary range. If no suitable vacancy exists, the employee shall be placed on the laid off list rather than terminated. The trial period may be extended by mutual agreement in writing.

(c) The trial period shall be waived where an employee is being placed into a position in which that employee has already passed the trial period.

(d) The University shall conduct bi-weekly evaluations of each continuing employee who is on a trial period. Such evaluations shall be reviewed with the employee as they are completed.

13.12 Probationary Period

(a) Definition: That initial three (3) month period of service where the University finds whether or not the employee is able to meet the basic job requirements. The probationary period may be extended by mutual written agreement between the University and the Union.

(b) Continuing Employees: All continuing employees on initial hiring, (or rehiring after seniority has been lost, reference Article 12.04), will be on a three (3) month probationary period. During this time, newly hired employees shall be entitled to all the rights and privileges of this Agreement, except that the employment of such employees may be terminated at any time during the probationary period, subject to Article 11.05(d).

(c) Temporary Employees: If temporary employment continues for longer than four (4) months of unbroken service, in the same position, the employee shall be considered a "continuing employee", and her/his probationary period shall be considered completed after the first three (3) months.

(d) No employee shall have more than one probationary period as long as that employee's seniority is in effect. However, the provisions of Article 13.11 (Trial Period) shall apply.

(e) The University shall conduct bi-weekly evaluations of continuing employees who are on probation and of temporary employees whose initial appointment is greater than four (4) months. Such evaluations shall be reviewed with the employee as they are completed.

ARTICLE 14 - INVOLUNTARY TRANSFER, LAYOFF AND RECALL

14.01 Definitions

- (a) Layoff shall mean the discontinuance or reduction in hours of a position(s) due to lack of work or reduction or discontinuation of a service or services. The discontinuation of services may be due to the elimination of a program or programs or to inadequate funding or to technological change (ref: Article 48). Employees whose positions have been so affected shall be subject to the involuntary transfer procedure as provided in this Agreement.
- (b) Involuntary transfer shall mean a transfer due to a layoff which takes place by means other than the employee applying for and receiving a posted vacancy.
- (c) Laid off shall mean the involuntary cessation of employment due to a layoff.
- (d) Recall shall mean the direct return of an employee from the laid off list to her/his former position of employment, bypassing the job posting procedure.

14.02 Employees to be Involuntarily Transferred or Laid Off

The determination of which employee(s) are to be involuntarily transferred or laid off shall be made on the basis of the inverse order of seniority having regard for the nature of the remaining work and the ability of the remaining employee(s) to perform the work. If one of a number of similar positions within a faculty, department or a division of the University is to be eliminated, the employee involuntarily transferred or laid-off shall be the one with the least seniority.

14.03 Notice of Intent to Layoff

- (a) At least eight (8) working days prior to issuing notice of intent to layoff, the University shall meet with the Union to discuss the actions being considered, the reasons for the actions, alternatives, if any, and the impact on employees. The University shall provide the Union with at least two (2) working days notice of this meeting.
- (b) Any vacancy which is or becomes available following the notice of the meeting in 14.03(a), will not be posted until it is determined that the position will not be utilized for an involuntary transfer.
- (c) The University shall give the Union and the employee(s) written notice of intent to layoff and advise the employee of the

potential of being involuntarily transferred or laid off. In the case of temporary employees occupying positions which normally recur on a semester or yearly basis, they shall receive notice of termination as provided in Article 11.05. The notice of intent to layoff shall specify the reasons for the layoff. The Union shall be sent copies of all such notices.

14.04 Involuntary Transfer/Laid Off Procedure

(a) A continuing employee who is impacted by a layoff shall be interviewed by Human Resources to determine the following:

- (i) Job classifications that are within her/his scope or are likely to be within her/his scope given the job orientation of the trial period.
- (ii) Departments in which she/he would prefer to work, and such expressed preferences will be considered where possible.
- (iii) If a full-time employee whose position is being reduced to part-time is electing to remain in the reduced position, utilize the involuntary transfer/laid off procedure to secure another full-time position, or remain in the reduced position and utilize the involuntary transfer/laid off procedure to secure another part-time position to make up full-time hours.
- (iv) If an employee is electing to be laid off rather than undertake an involuntary transfer.

(b) The following shall also be considered prior to determining involuntary transfers:

- (i) An employee may be involuntarily transferred to a vacancy or to replace a person with less seniority provided that the employee being involuntarily transferred either has, or will likely have, the qualifications and ability to maintain the job requirements within the trial period.
- (ii) If a vacancy which has not been posted will be utilized as an involuntary transfer position, the posting procedures for that position will be waived.
- (iii) All involuntary transfer options shall be exhausted before an employee is laid off.
- (iv) No continuing employee shall be laid off as long as there are temporary employees performing work within the capabilities of that employee.

(c) When the information mentioned above has been obtained and collated, the University, in consultation with the Union, will arrange involuntary transfers so as to require the least number of employees being involuntarily transferred and laid off. Human Resources will then issue Involuntary Transfer and Laid Off Notices in accordance with the relevant articles of this Agreement. Involuntary transfers thereby necessitated shall not be subject to the Grievance Procedure provided they do not contravene the above procedure.

(d) The elapsed time between the Notice of Intent to Layoff, as described in Article 14.02 and the issue of Involuntary Transfer and Laid Off Notices shall not exceed four (4) weeks.

14.05 Movement into a Temporary Position

An employee who is involuntarily transferred into a temporary assignment shall have the same status as an employee who is laid off from a continuing position upon the termination of the temporary assignment (ref. Article 14.08).

An employee who refuses the University's offer of involuntary transfer into a continuing position in favour of taking a temporary assignment shall be laid off upon the termination of her/his continuing assignment and shall remain on the laid-off list for twelve months from that date. The temporary assignment will not be identified as an involuntary transfer, but the employee's status will be governed by Article 13.09.

14.06 Involuntary Transfer and Laid Off Notice

(a) Employees shall be given four (4) weeks notice of involuntary transfer.

(b) Should an employee on notice of layoff leave the University prior to the expiry of the time limit set out in Article 14.06(c), and her/his position is scheduled to be filled by an employee on involuntary transfer, the time limit on involuntary transfer, as set out in 14.06(a), shall be waived. Other than as provided for in this article, all layoffs and involuntary transfers will take place on expiry of the time limits provided.

(c) Employees being laid off shall be given a minimum of four (4) weeks' notice or four (4) weeks' pay in lieu of notice. In the case of irregular earnings, "payment in lieu" shall be the same as that stated for termination in Article 11.05(f). Employees laid off as a result of their position being discontinued due to technological change shall receive severance pay and notice as provided in 48.07.

14.07 Salary on Involuntary Transfer

(a) Where an employee is involuntarily transferred to a position of the same salary grade level she/he shall retain her/his step level.

(b) Where an employee is involuntarily transferred to a position providing a lower pay grade, she/he will have her/his former increment step at the higher pay grade frozen until the employee's classification service in the new (lower) pay grade is sufficient to provide for a salary increase to a higher increment step in the lower pay grade.

An employee whose increment step is frozen will be eligible for any general wage increases which apply to the pay grade and the increment step at which the employee is frozen.

14.08 Maintenance on Laid Off List

A laid off list shall be established and the laid off employee's name shall be placed on the list effective the day after her/his last day of employment, and shall be kept on the list for a period of two (2) years. It shall be the responsibility of the employee on the laid off list to keep the University informed of her/his current address. Employees on the laid off list shall be sent copies of vacancy postings as provided in Article 13.02.

14.09 Notice of Recall

(a) Notice of recall shall be made by telephone, or, if this is unsuccessful, by registered mail to the last known address of the employee. A copy shall be sent to the Union.

(b) A person on the laid off list, when served recall notice, shall have seven (7) days from the mailing of the notice to reply except where extenuating circumstances such as sickness, etc. prevents the recalled employee meeting the time limit. It is the responsibility of the recalled employee or the Union to inform the University of the extenuating circumstances within a reasonable period of the expiry of the time limit provided. Failure of the recalled employee to respond shall result in loss of seniority as provided in Article 12.04(e).

(c) If within two (2) years of the discontinuation of a position, that position is reinstated in the same department, the employee who was involuntarily transferred out of the discontinued position shall have the choice of staying in her/his present position, or transferring to the newly opened (her/his former) position bypassing the job application procedure, without loss of step increases to which the

employee would have been entitled had she/he not been involuntarily transferred. If the former incumbent of the discontinued position has been laid off she/he shall be recalled to the newly opened (her/his former) position.

14.10 Salary of Recalled Employee

An employee recalled as defined in Article 14.01(d) shall be returned to the step level which she/he had attained at the time of layoff and shall receive the current rate of pay for that step level.

ARTICLE 15 - JOB DESCRIPTIONS

15.01 University to Provide

(a) All positions within the bargaining unit must have a job description. The University agrees to provide:

(i) employees with a copy of their individual job description on their date of hire, promotion, demotion or transfer and a copy of their revised job description within two (2) weeks of being written and approved by the University;

(ii) the Union with access to the electronic job description database for job descriptions of positions in the bargaining unit and notification of new job descriptions and revised job descriptions within two (2) weeks of being written and approved by the University.

The parties agree that such descriptions are the recognized job descriptions, unless formally changed in accordance with Article 17 or as otherwise provided for in this Article.

This requirement for a job description is not necessary where an employee is hired to a position of a shorter duration than one month provided a similar position (i.e. having no major differences) does not exist in the bargaining unit and has not existed in the past. However, if the Union feels that the terms of Agreement are being violated, the Union may request a job description for any position within the bargaining unit and the University agrees to provide the description.

(b) The list of job duties in the job description shall serve as an outline of the job. It shall be in conformity with the recognized position title and it shall not conflict with any terms of this Agreement. Job descriptions must follow a standard format and use standard terminology to describe the duties and responsibilities of

the job. The minimum qualifications required to perform the work must be directly related to the duties and responsibilities of the job.

15.02 Changes in Job Descriptions

(a) The University may change or modify a job description provided the changes do not violate the terms of the Agreement. If the changes to a job description are inconsistent with the current position title then the job must be reviewed under Article 17. Following a re-evaluation under Article 17, the job description and the position title shall be consistent.

If a job description is changed to the extent that the current incumbent does not have the qualifications and abilities to perform the duties of the position then either the University will offer to provide appropriate training to the incumbent to enable the employee to perform the new duties or the change in duties will be considered a deletion of the position previously described and the creation of a new position. In a case where the former position is deleted, the continuing incumbent will be eligible for the layoff and involuntary transfer procedure in accordance with Article 14.

(b) Job descriptions forwarded to the Union as set out in Article 15.01 shall be considered accepted if no request for review has been received from the Union and/or the employee within thirty (30) working days of the date of forwarding to the Union. This time limit may be extended with the mutual consent of both parties.

Requests for review of job descriptions must be submitted to the Director, Human Resources who will forward the requests to the members of the Job Description Committee within two (2) working days of receipt. The Job Description Committee shall be comprised of one (1) representative appointed by the Union and one (1) representative appointed by the University. Requests for review shall include a summary identifying where the job description is inaccurate, inconsistent or where it violates the terms of the Agreement. The Committee shall make a recommendation to the University, Union and employee to resolve the dispute within five (5) working days following their receipt of the request. The University, Union and/or employee shall have five (5) working days to accept the recommendation. If the Committee is unable to make a joint recommendation or if the Committee's recommendation is not accepted by the University, Union or employee, the dispute over the job description shall be considered a grievance commencing at step two (2) of the Standard Grievance Procedure.

15.03 Review of Job Descriptions

At least once annually the employee and her/his supervisor shall conduct a joint review of the job description to determine its currency.

15.04 Job Descriptions Documentation

The standard job description form cannot be revised without mutual agreement between the University and the Union.

ARTICLE 16 - JOB SPLITTING

16.01 Entitlement

The University shall allow job splitting (two (2) employees sharing one position). The details will be worked out between the employees requesting job splitting and their immediate supervisor, but the schedule of hours of work for an employee in a job split must not be less than fourteen (14) biweekly.

16.02 Eligibility to Participate as Non-Incumbent

Continuing and temporary employees and individuals who are not currently employed by the University but are on the laid off list or the temporary employees' seniority list shall be eligible to participate as non-incumbents in job splits arranged in accordance with this article provided that all of the other conditions and requirements for job splitting are met.

16.03 Temporary Absences

When one of the employees in a job split (whether she/he is the incumbent or non-incumbent) is temporarily absent from the position, then if the supervisor and the employee who remains at work agree, the remaining employee will assume all or a portion of the absent employee's hours of work and duties. If the supervisor and the remaining employee do not agree, then the absence from the job split arrangement will be treated like an absence from a part-time position. The department may then, if it wishes, fill all or a portion of the hours of work and duties left by the absent employee through the normal procedures for replacement.

16.04 Termination of Job Split

(a) The incumbent in a split position is entitled to terminate the job split upon three (3) months notice in writing to the supervisor, the

non-incumbent and Human Resources. Upon the expiration of the notice, the non-incumbent will be terminated.

(b) If the incumbent vacates the position, with or without notice, the non-incumbent will be terminated and shall be treated the same way as a temporary employee whose appointment has ended.

(c) A non-incumbent who is terminated in accordance with (a) or (b) above, shall retain her/his seniority for a period of twelve (12) months from the date of the termination.

16.05 Benefits or Pay in Lieu

The incumbent and non-incumbent in a split position shall be entitled to part-time employee benefits or pay in lieu of benefits as provided elsewhere in this agreement.

ARTICLE 17 - JOB RE-EVALUATION AND RECLASSIFICATION

17.01 Definition

Job re-evaluation consists of an evaluation and comparison of the duties and responsibilities, skills and knowledge, effort and working conditions required in a position relative to all other positions in the bargaining unit.

17.02 When Re-evaluation is Appropriate

Re-evaluation is appropriate when the duties and responsibilities, skill and knowledge, effort and working conditions of a position substantively change or when the University, Union or employee believes a position is incorrectly classified.

17.03 Requests for Re-evaluation

(a) Requests for re-evaluation may originate from the University, Union or employee. Requests originating from the University must be approved by the Dean/Director before being forwarded to Human Resources. Requests originating from the Union or employee must be forwarded by the supervisor to Human Resources within twenty (20) working days. If the request originates from the employee, the supervisor will send a copy of the request to the Union on the same day that the request is forwarded to Human Resources. Supervisors shall provide employees whose positions are undergoing re-evaluation with a copy of the standard job description form, job

description writing guide and glossary of job description writing verbs.

(b) Requests must be signed and dated by the individual initiating the request and must include:

- (i) a completed Re-evaluation Request Form
- (ii) copies of existing and revised approved job descriptions in the standard format
- (iii) summary of the substantive differences between the existing and revised job descriptions
- (iv) a completed job questionnaire
- (v) list of other comparable positions, if appropriate
- (vi) suggested classification
- (vii) funding arrangements when initiated by the University

(c) Human Resources will conduct a re-evaluation which may include an interview and/or on-site visit with the employee and/or supervisor. At the request of the employee or supervisor an interview and/or on-site visit will be conducted.

17.04 Re-evaluation Process for Employee or Union Requests

(a) Prior to completing a re-evaluation initiated by an employee or the Union, Human Resources will review the revised approved job description which was submitted to Human Resources with the request. If the review results in revisions to the submitted job description, a copy of the new revised approved job description will be forwarded to the Union by Human Resources. If the review does not result in revisions to the submitted job description, Human Resources will inform the Union in writing (via e-mail or letter) that no changes have been made to the submitted job description.

(b) The Union and/or the employee may initiate a request for review of the revised approved job description under Article 15.02(c) within thirty (30) working days following receipt of the job description or the written notice from Human Resources outlined in 17.04(a) above. The re-evaluation will not be completed until one of the following occurs:

- (i) the Union notifies Human Resources in writing (via e-mail or letter) that the job description has been accepted by the Union and the employee,

(ii) the review process identified in Article 15.02(c) (including grievance and arbitration where applicable) is complete, or

(iii) thirty (30) working days have elapsed since the new revised approved job description or the written notice to the Union (under 17.04(a) above) was received by the Union and Human Resources has not received notice of acceptance or a request for a review under Article 15.02(c) from either the Union and/or the employee.

17.05 Notification of Re-evaluation Results and Documents Distribution

(a) The employee will be notified by letter of the re-evaluation results within thirty (30) working days following receipt of the employee or Union re-evaluation request by Human Resources. The thirty (30) working days shall not include the period of time beginning when Human Resources forwards the new revised approved job description or the written notice of no change to the Union in accordance with 17.04(a) above, and ending when 17.04 (b)(i), (ii) or (iii) occurs. The time limit in this Article 17.05(a) may be altered by mutual consent of the parties.

(b) A copy of the revised approved job description, the re-evaluation report and any supporting documentation will be provided to the employee, the Union and the supervisor when the review is completed.

17.06 Salary Increase Retroactive

A wage increase as a result of reclassification resulting from re-evaluation will be retroactive to the date of request for the re-evaluation, unless the new duties are to begin at a future date.

17.07 No Probationary Period

If an employee's position is reclassified as a result of re-evaluation, she/he shall not be placed on probation.

17.08 Salary Increase

(a) If an employee has been performing the duties and responsibilities outlined in the revised approved job description, the salary of that employee will be increased to the same increment step in the higher pay grade (ref. Appendix D). She/he will not be placed on a trial period.

(b) If an employee will be performing the duties and responsibilities outlined in the revised approved job description at a future date, the salary of that employee will be increased to the closest increment step in the higher pay grade that provides for a minimum increase of five (5%) percent bi-weekly (ref. Appendix D). She/he may be placed on a trial period as described in Article 13.11.

17.09 Re-evaluation Appeals

(a) Where the Union or the employee believes that a position has been incorrectly classified as a result of an employee or Union initiated re-evaluation request, the employee and/or the Union shall have thirty (30) working days following receipt of the re-evaluation report referred to in Article 17.05 (b) to submit an appeal to the Director, Human Resources. The employee or the Union may only appeal the differences between the authorized profile challenger responses to the WJQ Part II questions and the responses to the questions which were originally submitted by the employee or the Union as part of the re-evaluation request. The appeal must include a summary of the differences of alleged inaccuracies in the re-evaluation report with appropriate references to the revised approved job description and the job questionnaire (see Article 17.05(b)).

The Director, Human Resources will acknowledge receipt of the appeal within ten (10) working days and forward the appeal and a copy of the revised approved job description, re-evaluation report, and any supporting documentation to the Joint Re-evaluation Appeal Committee.

(b) The Joint Re-evaluation Appeal Committee will be a standing committee composed of two (2) representatives from the University and two (2) representatives from the Union. A University representative and Union representative will jointly train Committee members in the job evaluation method.

(c) The purpose of the Joint Re-evaluation Appeal Committee is to make a final and binding decision on the appeal. The Committee's decision will be supported by a rationale and shall not contravene or amend the Articles of agreement or the principles and practices of the job evaluation method.

(d) The Joint Re-evaluation Appeal Committee members shall have equal votes. If an issue cannot be resolved after two (2) meetings, a fifth mutually acceptable individual will be brought in

to cast the deciding vote. The parties to this agreement shall maintain a list of "fifth" members in a Letter of Agreement.

(e) Re-evaluation Appeal Procedure

(i) The Joint Re-evaluation Appeal Committee, unless extenuating circumstances exist, shall meet within fifteen (15) days of the receipt of the appeal by the Director, Human Resources.

(ii) The Joint Re-evaluation Appeal Committee shall give their decision and supporting rationale in writing to the employee, Union and Director, Human Resources.

17.10 Anomalies

No person will be reclassified to a lower salary grade. Anomalies will be identified and corrected when the incumbent vacates the position.

17.11 Employee Eligibility

Temporary employees shall receive the starting rate of the appropriate job classification for work performed. Only continuing employees are eligible for the re-evaluation procedure as described in Article 17.01-.09.

17.12 WJQ (Custom) and Pay Equity

The implementation plan for Weighted Job Questionnaire WJQ (Custom) is outlined in Appendix D to this Agreement.

ARTICLE 18 - BONDING

18.01 Arrangements

If the University requires any employee to be bonded, then the University shall make arrangements with a recognized firm to bond the employee, and the University shall pay all costs attached thereto. If the University's bonding firm is not willing to issue a bond, the employee shall have the right to obtain a bond from some other reputable and recognized bonding firm, with the cost to be borne by the University, provided the cost is not greater than the cost would be if the bond were obtained by the University. In the case where the cost is greater, the employee will be responsible for the additional cost of the bond.

18.02 Bonding Pre-Condition on New Employees

A new employee may be hired with the provision that she/he is bondable. If said employee is unbondable, (as in Article 18.01) she/he may be dismissed without notice.

18.03 Determination Prior to Transfer or Promotion

The University shall determine the bondability of an employee prior to transferring or promoting the employee to a position requiring bonding. If the employee is unbondable, she/he shall not be transferred to a position requiring bonding.

18.04 Bonding Subsequent to Employment

Employees whose positions become bondable after the date of hire, shall, if unbondable, be transferred or promoted to a less sensitive position with no loss of pay.

ARTICLE 19 - CONTRACTING OUT

The University will not normally contract out work normally performed by members of the bargaining unit.

Where contracting out is deemed necessary by the University, the Union will be consulted in advance. Where possible such consultation will take place at least two (2) weeks prior to the contracting out.

No employee will be terminated, laid off, or have their regularly scheduled work day or regularly scheduled work week reduced as a result of contracting out.

ARTICLE 20 - USE OF UNIVERSITY FACILITIES

20.01 Facilities

The University shall provide access for all employees to University recreational, library and food services facilities during those hours scheduled for staff or public use, providing such use does not conflict with the scheduled hours of work. Where such use conflicts with scheduled hours of work, the prior approval of the respective supervisor is required. Make-up time shall not be considered overtime.

20.02 Library Cards

All employees shall be provided, free of charge, a library card entitling the holder to the use of facilities as enjoyed by the rest of the University community. Upon retirement, an employee shall receive a renewable lifetime library card entitling her/him to all privileges as enjoyed by the rest of the University community.

20.03 Lounges

Present lounges to which employees have access shall be maintained at no less than their present level and where possible shall be improved and/or expanded. Changes to lounges and food services will be made in consultation with the Union.

20.04 University Food Services Committee

The Union will maintain membership on the University Food Services Committee.

20.05 Gym Membership

The University agrees to provide gym membership, free of charge to all employees upon application.

ARTICLE 21 - ATTENDANCE AT UNIVERSITY FUNCTIONS

21.01 Request in Advance

Where a function or activity sponsored by a University department (exclusive of events covered by Article 23) conflicts with an employee's scheduled working hours, an advance request may be made of the supervisor for time off to attend.

Unless, in the opinion of the supervisor, departmental requirements cannot be met, the request will be granted.

21.02 Make-Up Time

Approved requests are conditional on any lost time being made up. Such "make-up" time shall not be considered overtime.

21.03 Make-Up Waived

If the supervisor feels the function is job related the make-up time will be waived.

ARTICLE 22 - EMPLOYEE TRAINING AND DEVELOPMENT

22.01 Development

The University and the Union jointly respect the principles of human resource development through skill upgrading in line with career development as it relates to opportunity for advancement in the service of the University.

22.02 Training

The University shall encourage departments to provide on-the-job training for employees to upgrade their skills and knowledge as would be required for promotion within the Department. The employee may submit a request to her/his supervisor to take a course or series of courses, programs, lectures or conferences etc. related to skill upgrading for future utilization by the department or University. Each request will be considered on its individual merits. If the request is approved, the University shall allow time off with pay and may reimburse the employee for fees and costs incurred. If training is required of an employee by a department, then all fees and expenses will be paid by the department.

22.03 Training on New Equipment or Software

Where an employee is required to use new equipment or software which is introduced into the work place, the University shall provide the employee with training on this new equipment or software. This training shall take the form of seminars prior to the arrival of the new equipment or software and/or on-the-job training after installation.

(c) The spouse and children of an eligible employee shall retain their eligibility for tuition waiver in the event of the employee's death or retirement.

23.05 Admission and Other Fees Not Affected

Admission to any academic course or program at Simon Fraser University shall not be affected in any way by the provisions in this Article 23. Further, this Article does not exempt employees, spouses or children from any other fees which students may be

24.01 Standard Work Day

Standard Work Day will be seven (7) hours, exclusive of the meal period.

Standard Work Week will be thirty-five (35) hours in any five (5) consecutive days.

24.03 Modified Work Week - Definition

24.04 Modified Work Week - Proposals

(a) Employees may submit proposals through the immediate supervisor to the department head to establish a Modified Work Week. The supervisor shall forward the request within five (5) days of receipt. The criteria necessary for operation of the Modified Work Week are:

- (i) The services provided by the department to the University will not be diminished.
- (ii) No appreciable additional costs to the University will result from the implementation of the Modified Work Week.

If these criteria are met, approval of such proposals shall not be denied.

Employees shall be informed of the decision regarding proposals within fifteen (15) working days of submission. The time limit may be extended if the proposal is not adequately documented.

There will be a four (4) month trial period and if during this period the criteria are not met, the Modified Work Week may be discontinued.

If the criteria are met during the trial period the Modified Work Week will remain in operation unless changed as provided for in 24.04(b).

(b) Should the criteria in 24.04(a) cease to be met, or should changes in the hours of operation in the department require a change in the arrangement of hours comprising the Modified Work Week schedule, the department head may propose a change to the employees affected. Failing agreement between the parties concerned, the department head's proposal shall be submitted to the Modified Work Week Joint Committee for recommendations. The Modified Work Week Joint Committee shall be comprised of three representatives from the Union and three representatives from the University. The Modified Work Week Joint Committee will make recommendations on proposals, and such recommendations will be forwarded to the Dean, Director, or equivalent involved in the proposed change through the Director of Human Resources. The Dean, Director, or equivalent will consider the recommendations prior to implementing any change.

ARTICLE 25 - OVERTIME

25.01 Definition

Overtime is that time worked in excess of the normal or modified work day, work week or bi-weekly period which is applicable (ref: Article 24).

Scheduled overtime is overtime that has been prearranged. This does not preclude the operation of Article 25.03.

25.02 Rate of Compensation

(a) Day Shift: Compensation for overtime shall be paid at the rate of two (2) times the hourly rate for hours worked to the nearest one-quarter (1/4) hour.

(b) Other Shifts: Overtime worked in addition to a shift, other than day shift, will be paid for at two (2) times the differential rate.

25.03 Continuous Work Day

Overtime worked continuous with the work day [no unpaid break between regular shift and overtime except for the first unpaid one-

half hour meal period, (25.07)] shall be paid for a minimum of one half (1/2) hour at overtime rates.

25.04 Overtime Work Performed at Home

Any overtime work which is performed by the employee at her/his residence shall be paid for a minimum of one half (1/2) hour at overtime rates.

Employees called out to work before the beginning of, or called back after completing, a regular day's work, where such work is not continuous with the regular shift, or from a day off, shall be paid for a minimum of four (4) hours at overtime rates. In addition, if an unpaid period [other than the first unpaid one-half (1/2) hour meal period, (25.07)] occurs between the regular shift and overtime which is worked on a regular work day, such overtime shall be considered Call Out and shall be paid for a minimum of four (4) hours at overtime rates unless the employee performs the overtime work at her/his residence (ref: Article 25.04).

25.06 Time Off in Lieu of Payment

Employees working overtime may take compensatory time off, calculated at double time, in lieu of payment or a combination of time off and pay. Such arrangements will be made in consultation with the supervisor.

25.07 Unpaid Meal Period in Overtime

Employees requested to work overtime in excess of two (2) hours beyond their regular work day shall be allowed an unpaid one-half (1/2) hour meal period before, during or after the overtime work period.

A one-half (1/2) hour paid meal period shall be provided after every four (4) hours of overtime worked beyond the regular work day. Reasonable meal costs will be reimbursed, based on receipts.

25.09 Overtime Voluntary

The University shall endeavour to keep overtime to a minimum. Overtime shall be on a voluntary basis.

25.10 Standby Time

For each twenty-four (24) hour period accumulated "standby" time, the employee will be paid one (1) hour's pay, or time off in lieu of payment, with approval of supervisor. Employees on vacation cannot be placed on standby.

25.11 Cancellation of Call Out

Cancellation of call out, either before or after the employee starts work, will result in a four (4) hour minimum at overtime rates.

25.12 Cancellation of Scheduled Overtime

Cancellation of scheduled overtime, either before or after the employee starts work, will result in a one (1) hour minimum at overtime rates.

25.13 Compensating Time Off for Late Overtime

If an employee works more than six (6) hours of overtime continuous with a standard or modified work day then she/he will report to work the following day one (1) hour after the normal starting time for each hour worked beyond the six (6) overtime hours, with no loss in pay.

ARTICLE 26 - SHIFTS AND SHIFT DIFFERENTIALS

26.01 Shift Definitions

SHIFT	TIME BOUNDARIES	RATE Mon. 0001- Sat. 2400	RATE Sun. 0001-2400

Employees will be paid shift rate for all time worked in a shift, exclusive of meal breaks, and including rest periods. Employees working a day shift will not be eligible for shift rates where their modified work day extends beyond 1800, unless the extension is due to scheduling requirements.

26.02 Split Shifts

There shall be no split shifts for full-time employees. Part-time employees may elect to work split shifts.

26.03 Shift Schedules

(a) Shift schedules shall be posted fourteen (14) days in advance and employees will be consulted prior to any change in the shift schedule in order to determine their availability.

(b) Changes to starting times and changes to days on which work is to be performed for employees on either Standard or Modified Work Week will be implemented as in 26.03(c) and (d).

Changes in the arrangement of hours which comprise the Modified Work Week may be implemented as in 24.04.

(c) The employee may be required to make temporary changes to starting times or to days on which work will be performed in order to cover for other employees who report to the same supervisor and who are temporarily absent. The supervisor will take into account the employee's availability, as determined by consultation. Such temporary changes are subject to Temporary Promotion, Article 13.05. Such temporary changes will be for periods not to exceed four weeks duration.

(d) Changes in schedules which affect starting times by more than one hour or which affect days on which work will be performed and which exceed four weeks duration shall be subject to joint University/Union negotiations. In the event of disagreement, the schedule of starting times and days on which work is to be performed will remain as on September 7, 1977 until the disagreement is resolved by the Labour/Management Committee.

26.04 Time Between Shifts

There shall be at least twelve (12) hours between the end of work on one regular shift and the commencement of the next regular shift, unless the employee gives her/his consent in writing.

26.05 Consecutive Days Off

Shift days will be chosen so as to provide a minimum of two (2) consecutive days off.

26.06 Reporting Allowance for Part-Time Employees

Any part-time employee who is called in to work and for whom there then is no work upon arrival, and who was not notified of this

fact twelve (12) hours in advance, will receive two (2) hours' pay at regular rates.

26.07 Temporary Part-Time Employee Shift Cancellation

Wherever possible, a temporary part-time employee shall be given a minimum of eight (8) hours notice of a shift cancellation. If less than eight (8) hours notice of cancellation is provided, the employee shall be given two (2) hours pay at her/his regular rate for the canceled shift.

If a supervisor or her/his designate attempts to provide notice under this article 26.07 by telephone to the most recent telephone number provided by the employee, the notice will be deemed to be served even if the employee does not answer the telephone provided that a message is left for the employee or two telephone calls are made to the number, but are not answered.

ARTICLE 27 - EMPLOYEES WHO INSTRUCT

In many positions, instruction forms a part of the job and will be part of the job description. In these cases, this component of the position has already been included in the determination of appropriate salary range.

On occasion however, there are situations, i.e. in a workshop, seminar, or course where, because of expertise possessed, an employee may be requested to develop and present instructional material. In such instances, an additional stipend must be arranged through the department requesting the services, giving concern for the length and nature of the preparation and presentation and whether the instruction is additive or substitutive to the employee's regular responsibilities.

The employee may refuse these requests if satisfactory arrangements cannot be made.

ARTICLE 28 - CAR POOLS AND OTHER TRANSPORTATION

28.01 Public Transportation Not Available after Overtime or Call Out

When an employee commences or ends a period of overtime or call out when public transport is not in operation or will cease operation before the employee arrives at home, the employee will be reimbursed taxi fare.

28.02 Scheduling Regular Shifts

(a) Compatible with Transport:

(i) The University shall attempt to arrange end of shifts in such a manner so the employee has access to public transportation with no more than a fifteen (15) minute wait.

(ii) An employee's shift start and/or finish times may be amended by up to one half (1/2) hour upon approval of the supervisor in order to accommodate the employee's public transportation or car-pooling arrangements. Such approval will not be unreasonably withheld.

(b) Staffing if Incompatible: When shifts begin or end at hours incompatible with public transport, the University shall attempt to staff shifts amongst employees capable of arranging their own transportation. In the event this is not possible, the University shall provide taxi vouchers or reimbursement for taxi fare.

28.03 Escort Arrangements

Employees required to work beyond normal closing time and apprehensive about personal safety should make prior arrangements with Traffic and Security or their supervisor for escort to their chosen form of transport.

28.04 Car Pools

The University shall assist the Union in its efforts to establish a car pool registration system and encourage employees to participate in car pools.

ARTICLE 29 - PARKING

29.01 Parking Spaces

Employees whose parking space is taken over for other purposes, shall be provided parking in the next nearest available parking lot at a rate not to exceed the previously paid rate. If the original parking space is returned to service, the original holder of that space shall have first option to regain parking rights.

29.02 Payroll Deduction

The University will implement a system of payroll deduction for parking fees. This deduction shall be mandatory for all continuing employees. Parking fees will be deducted no less than once per

month. This payroll deduction will not be available to temporary employees.

ARTICLE 30 - MEAL PERIODS

The employee shall be entitled to a meal break of at least one-half (1/2) hour and normally not more than one (1) hour in each shift. Providing always that departmental requirements are met, the time of and length of the meal period shall be determined by mutual agreement between the employee and her/his immediate supervisor.

ARTICLE 31 - RELIEF PERIODS (COFFEE BREAKS)

The employees shall be entitled to two (2) paid relief periods of fifteen (15) minutes each, one such period to be taken part way through the first one-half (1/2) of the work period and the other part way through the second one-half (1/2).

The preceding notwithstanding, in some circumstances it may be appropriate for the supervisor and an employee to make other mutually agreeable arrangements for the taking of relief periods.

Where the proposed timing of relief periods results in a conflict between employees, the supervisor shall use seniority to determine who receives the preferred relief period.

This provision will not result in a shorter work day or a longer meal break on a regular basis.

ARTICLE 32 - PAID HOLIDAYS

32.01 Definition

A paid or general holiday is any statutory holiday or any official University holiday (see Article 32.02).

32.02 List

- | | |
|--------------------|------------------|
| (a) New Year's Day | Labour Day |
| Good Friday | Thanksgiving Day |
| Easter Monday | Remembrance Day |
| Victoria Day | Christmas Day |
| <u>Canada Day</u> | Boxing Day |
| B.C. Day | |
- (b) In addition, any other day proclaimed by the federal, provincial or municipal governments, or any other day in lieu of a statutory

holiday shall be recognized as a paid holiday for all staff except for those employees who work weekend shifts. In such cases the actual paid holiday will be observed as the paid holiday rather than the day in lieu.

32.03 Paid Holiday on Scheduled Day Off

Where a paid holiday falls on a scheduled day off, employees shall normally receive equivalent time off, usually within the same bi-weekly pay period. Such time off will be arranged by mutual agreement between the employee and the supervisor. Should the department be unable to grant time off because of work loads then the employee shall receive pay in lieu at regular rates (i.e. the rate that would have been in effect for the shift). For continuing part-time employees also see 32.06(b) for special scheduling arrangements.

32.04 Work on a Paid Holiday

Where an employee works on a paid holiday, or a day provided in lieu thereof, she/he will be provided an equivalent day off or pay in lieu as outlined in 32.03 above. In addition, all hours worked will be compensated for at overtime rates (two (2) times) based on the shift rate of pay in effect for the hours worked (see Differential Premiums, Article 26).

32.05 Additional Religious Holidays

Employees who wish to observe additional religious holidays will be given leave of absence without pay.

32.06 Employee Eligibility

(a) All full-time continuing employees.

(b) Part-time continuing employees shall be eligible for general holiday pay. The pay to be received shall be prorated according to the number of straight time hours which would normally have been worked by the employee in the bi-weekly period within which the general holiday falls. Where a paid holiday falls on a scheduled working day, or on a scheduled day off and the employee is taking equivalent time off (as provided in 32.03), and the time off thus provided is more than that paid for by holiday pay, the employee may elect to work extra hours to make up for the difference. The make-up time shall be arranged by mutual agreement between the employee and the supervisor and shall normally be completed within the bi-weekly pay period.

ARTICLE 33 - OFFICIAL UNIVERSITY CLOSURE

Should the University, or an area of the University, be officially closed temporarily due to environmental conditions, utility disruptions, road conditions, acts of God, or other reasons beyond the control of the employees covered by this Agreement, employees shall receive salary maintenance during the closure. These closures shall not be considered a University holiday as in Article 32.

Those employees required to remain on duty to provide essential services shall be given the equivalent time off with such time off to be taken within the following calendar month. Should these employees be required to remain beyond their normal hours of work, the usual provisions for overtime would apply.

Employees who are requested to report for work for an afternoon or night shift which commences during a closure shall receive equivalent time off for all hours worked on the shift, with such time off to be taken within the following calendar month. Should these employees be required to remain beyond their normal hours of work, the usual provisions for overtime would apply.

ARTICLE 34 - ANNUAL VACATIONS

34.01 Calendar Year

For the purpose of this Agreement, the calendar year shall mean the twelve (12) month period from January 1 to December 31, inclusive.

34.02 Vacation Entitlement for the First Incomplete Year

For the first incomplete calendar year of service each employee shall receive a vacation credit effective the date of commencing employment with the University. Such credit shall be designated in hours and minutes and shall be calculated by multiplying one hundred and five (105) hours by the number of calendar days remaining in the year upon commencement of employment and then dividing by three hundred and sixty-five (365) (or 366 in a leap year). The vacation credit may be scheduled in the first calendar year of service or up to two-thirds (2/3) may be banked in accordance with Article 34.04, 34.05, 34.06 and 34.07.

34.03 Vacation Schedule for Subsequent Years

Employees shall receive subsequent annual vacations with pay on the following basis:

- (a) Three (3) weeks in the second, third, fourth and fifth calendar years of service;
- (b) Four (4) weeks in the sixth, seventh and eighth calendar years of service;
- (c) Five (5) weeks in the ninth, tenth, eleventh, twelfth, thirteenth and fourteenth calendar years of service;
- (d) Commencing with their fifteenth calendar year of service, employees shall receive one (1) additional day of annual vacation with pay for each additional year of service to a maximum of six (6) additional days. Vacation pay in each of the above cases shall be those rates which the employee would have received if she/he had worked. For computation of vacation entitlement employees shall be deemed to be in their second calendar year on January 1, if they have had service immediately preceding that date.

Prorated Reductions: Where the employee is absent from work for more than twenty (20) working days in the calendar year (except on sick leave or maternity leave) the vacation entitlement will be prorated accordingly.

34.04 Accumulation or "Banking" of Vacations

Employees shall be entitled to bank up to a maximum of two-thirds (2/3) of their vacation but must take the banked vacation in the following year. Such banked vacation will receive pay at the rates the employee would normally have received had she/he worked that period in the year in which the banked vacation is taken. Employees may bank up to one hundred percent (100%) of their vacation with consent of their supervisor.

34.05 Vacation Flexibility

Other than in the first incomplete calendar year, as of January 1, each employee shall have one full calendar year's vacation entitlement available to her/him to take within that calendar year. This time of vacation is to be determined by mutual agreement between the department and the individual employee.

34.06 Vacation Schedule

- (a) Departments shall post or begin to circulate a schedule for employee vacation requests by no later than January 31 of each calendar year. The schedule will cover a twelve (12) month period from April 1 of the current calendar year through March 31 of the next calendar year. The vacation scheduled in the period January 1

through March 31 of the next calendar year may be vacation entitlement which is banked from the current calendar year in accordance with Article 34.04 or the vacation entitlement for the next calendar year.

(b) All of the employees affected by the schedule shall write in their requests for vacation for the twelve (12) month period by no later than March 15.

(c) Employees who fail to write in their requests for vacation by March 15 shall not be able to use their seniority under Article 34.07. Departments shall then discuss any conflicts with the employees directly affected and the employees shall revise their vacation requests accordingly.

(d) The approved vacation schedule shall be posted by no later than April 1 each year. The schedule may be changed thereafter by mutual agreement between the employee and the department.

34.07 Vacation Scheduling

Scheduling of vacation shall be on the basis of seniority where there is a conflict of scheduling between employees. Employees desiring to take holidays in broken periods shall be entitled to take their vacation subject to the requirements of their department.

34.08 Compensation for Holidays Falling Within Vacations

When a statutory or University holiday falls on or is observed during an employee's annual vacation, she/he shall be granted an additional day's vacation with full pay, for any such holiday so occurring, in addition to her/his vacation time.

34.09 Vacation Pay on Retirement

Normal retirement is on the first of the month coincident with or following the employee's sixty-fifth (65) birthday. On normal or early retirement taken in accordance with the terms of the Pension Plan for Members of the Administrative Staff each employee shall be entitled to the same vacation which she/he would have had if she/he had continued working to the end of the calendar year.

34.10 Paycheques

(a) Employees may, upon giving fifteen (15) calendar days prior written notice to their respective supervisors, receive any or all pay which would normally fall due during the period of their vacation.

(b) Vacation pay requested in advance will be in the form of a paycheque. Vacation paycheques will be made available at Payroll for pick-up by the employee at least one (1) full banking day prior to the commencement of the vacation.

34.11 Utilization of Sick Leave During Vacation

Where an employee is eligible for sick leave while she/he is on vacation there shall be, on application, special arrangements made where illness or accident can be proven. The intent of this subsection is to ensure that an employee will not lose vacation time due to some unforeseen misfortune.

34.12 No Termination, Layoff or Loss of Seniority

No employee shall be terminated, laid off, or lose seniority while she/he is on vacation.

34.13 Employee Entitlement

- (a) Continuing full-time employees as set out in this Article (34).
- (b) Continuing part-time employees shall receive vacation entitlement on a pro rata basis according to the number of hours worked in a standard bi-weekly pay period.

(b) Sick leave usage for each illness or injury shall not be aggregated for a period greater than seven (7) years.

35.03 Casual Illness

Continuous absence due to illness or injury of three (3) working days or less will be called "Casual Illness", and will not require a physician's certificate except where there is excessive use or possible abuse of the Casual Illness provisions. Where there is excessive use or possible abuse of the Casual Illness provisions, medical certificates satisfactory to the University may be required. When a physician's certificate will be required for a Casual Illness absence due to a possible abuse, the supervisor will notify the employee prior to her/his return to work from the absence. In cases where there is possible abuse of the Casual Illness provisions, the supervisor may also inform the employee that physician's certificates will be required for future Casual Illness absences. When physician's certificates will be required for Casual Illness absences in a case of excessive use, the supervisor must inform the employee in advance that physician's certificates will be required for future Casual Illness absences. All Casual Illness will be recorded on bi-weekly Time and Absence Reports.

35.04 Extended Absence

Extended Absence is more than three (3) consecutive working days absence due to illness or injury. The University may require sick leave in excess of three (3) consecutive working days to be supported by a physician's certificate, satisfactory to the University.

35.05 Claim for Benefit

All Casual Illness or Sick Leave must be supported by a Claim for Casual Illness or Sick Leave Benefit form to be presented on return from the absence. Failure to submit a claim form (with adequate physician's statements as may be required in 35.03 and 35.04 above) will result in subsequent loss of pay for the absence until such documents are provided.

35.06 Notice of Absence

For any of the above sections to be operable, an employee who is unable to come to work because of illness or injury, must advise her/his supervisor by contacting a designated telephone number, prior to the start of her/his shift, except in extenuating circumstances.

35.07 Chronic Absence

In cases of repeated absences or persistent inability to perform duties because of chronic illness, the supervisor may:

- (a) Require that the employee provide a physician's certificate.

35.08 Medical Examinations and Certificates

The medical examination shall be at the University's expense and the employee shall receive a written copy of the doctor's report.
- (b) The cost of medical examinations and physician certificates to support claims for pay under this Article are the responsibility of the employee.

35.09 Holidays During Sick Leave

When a statutory or University holiday falls within, or contiguous to a period of paid sick leave, the holiday shall not be assessed against the employee's sick leave.

- (b) All part-time continuing employees on a pro rata basis according to the number of hours worked in a bi-weekly pay period.

35.12 Medical and Dental Appointments

(a) Employees are encouraged to arrange medical, physiotherapy and dental appointments on their own time. Otherwise, employees may make arrangements with their supervisors for time off for such appointments with pay, providing make-up time arrangements have been made in advance. Wherever possible, such appointments should be arranged at the beginning or ending of a scheduled shift. If an employee is, or becomes ill at work and must take time off for a doctor's appointment, such time shall be considered casual sick time.

(b) Employee eligibility: provisions of this Article 35.12 apply to continuing and temporary employees.

35.13 Long Term Absences - Continuing Part-Time Employees Not Eligible for L.T.D. Insurance

(a) Where a continuing part-time employee who is not eligible for Long Term Disability (L.T.D.) insurance in accordance with Article 51.04(b), is absent for a period exceeding her/his sick leave entitlement she/he may preserve her/his employee status and seniority following the expiration of sick leave provided that:

- (i) she/he continues all applicable health and welfare benefits by paying both employee and employer premiums; and
- (ii) the absence is supported by a physician's certificate satisfactory to the University.

(b) Where employee status is maintained in accordance with 35.13 (a) and the medical prognosis is that the employee will be able to return to her/his former position within six (6) months of the expiration of sick leave, then the employee's regular position shall be retained. If at any time during the initial sick leave or the six (6) months following sick leave the medical prognosis is that the employee will not likely be able to return to her/his position within six (6) months following sick leave, then the employee shall be permanently replaced in her/his position.

L.T.D. claim is established the University will maintain the applicable health and welfare benefits and will pay both the employee and employer premiums. Where an L.T.D. claim is not established the employee may preserve her/his employee status and seniority, as outlined hereafter, provided that:

WJQ (Custom) and Pay Equity

Upon ratification of the Memorandum of Agreement or upon approval of the Employee Relations Committee of the Board of Governors, whichever occurs last, implementation of WJQ Custom job evaluation for all positions in the bargaining unit shall begin.

If the Provincial Government approves the WJQ (Custom) job evaluation system and results for pay equity funding, all continuing employees who are on Payroll when the provisions in this Memorandum come into effect shall be eligible for the retroactive implementation of the results of the WJQ Custom job evaluation system.

1. The target salary schedule for WJQ will be as follows:

Grade	WJQ POINTS	START	6 MOS	12 MOS	18 MOS	24 MOS	30 MOS

2. The target salary for any employee who occupies or occupied a position which will remain at the same grade or a position which will move to a higher grade as a result of WJQ evaluations shall be the step occupied on the current salary scale, but on the appropriate grade in the WJQ salary schedule. However, reaching that target salary for all such employees will be accomplished in phases as follows.

Phase 1 - Retroactive to April 1, 1993, 2.81% will be applied to the normal straight time salary (based on the current salary schedule in Appendix A-3) which was paid to each employee who is eligible to move to the WJQ salary schedule; this will result in a figure which will be known as the April 1, 1993 calculated salary. For the period from April 1, 1993 to March 31, 1994 each of these employees will be retroactively paid the lower of either the April 1, 1993 calculated salary or the target salary for each position held over the period.

Phase 2 - Retroactive to April 1, 1994, 0.46% will be applied to the April 1, 1993 calculated salary for each employee who has not yet reached her/his target salary and this will result in a figure which will be known as the April 1, 1994 calculated salary. For the period from April 1, 1994 to March 31, 1995 each of these employees will be paid the lower of either the April 1, 1994 calculated salary or the target salary for each position held since April 1, 1994.

Phases 3 to 6 - The following funds will be applied to the future implementation of WJQ:

- 1.0% of total 1994/95 payroll for CUPE staff effective April 1, 1995;
- 1.0% of total 1995/96 payroll for CUPE staff effective April 1, 1996;
- 1.0% of total 1996/97 payroll for CUPE staff effective April 1, 1997; and
- up to 1.0% of total 1997/98 payroll for CUPE staff effective April 1, 1998 until all eligible employees have moved to their target salaries. The funds which are available in these latter 4 phases will be applied to individual salaries in the same manner as in the first 2 phases of implementation.

3. Employees who occupy positions which are identified as anomalies as a result of WJQ evaluations (i.e. the positions are evaluated to be at a lower grade than currently assigned) shall remain on the current salary schedule

in their current grade and shall continue to receive step increases and general wage increases which are applicable to that schedule.

4. Employees who were involuntarily transferred on April 1, 1993 or earlier and who, as a result of the transfer, are being paid at a grade which is higher than the WJQ grade for the position they currently occupy will remain at their current grade and step on the current salary schedule, but may be eligible for salary increases in the future in accordance with Article 14.07(b).

An employee who was involuntarily transferred on April 2, 1993 or later will be eligible for any retroactive salary increase (as outlined in Phase 1 and Phase 2 of point number 2 above) which is applicable to her/his former position for a period when that position was occupied by the employee. If the salary of the employee in the former position (including any applicable retroactive increase) on the day before the involuntary transfer is higher than the appropriate WJQ implementation salary for the involuntary transfer position on the day of the transfer, then the employee's salary will be governed by Article 14.07(b) from the date of the involuntary transfer.

5. Employees who occupy positions which were evaluated under WJQ (Custom) prior to the effective date of the Memorandum of Agreement, shall have thirty (30) working days from the date the Memorandum of Agreement is ratified by the Union membership or approved by the Employee Relations Committee of the Board of Governors, whichever occurs last, to make a written request for appeal under Article 17.09 of the collective agreement. All such appeals must be based on the job descriptions and job questionnaires which were originally submitted for the positions. Final decisions must be made on all appeals raised under this point number 5 by no later than June 1, 1995. Any retroactive pay resulting from such appeals will be paid from the money which is made available by the Provincial Government for Phase 3 of the WJQ implementation plan. Therefore, Phase 3 funds will only be distributed after the results of Appeals under this point number 5 are known.

6. Until WJQ target salaries are fully implemented new continuing positions will be evaluated under both the old classification job evaluation system and the WJQ system. If the grade assigned is lower under WJQ than under the old classification system, then the individual hired, promoted, or transferred into the position will be paid at the appropriate grade on the target WJQ salary schedule. If the grade assigned under WJQ is the same as or higher than the grade assigned under the old classification system, then the individual hired, promoted, or transferred into the position

will be paid the salary appropriate to the position based on the stage of implementation of WJQ as outlined above.

7. Evaluation of temporary positions under WJQ will begin when the provisions in the Memorandum of Agreement come into effect. Only temporary positions which have not been filled when the Memorandum comes into effect will be evaluated under WJQ. Until WJQ target salaries are fully implemented for continuing positions, new temporary positions will be evaluated under both the old classification job evaluation system and under WJQ. If the grade assigned is lower under WJQ than under the old classification system, then the individual hired, promoted, or transferred into the temporary position will be paid at the appropriate grade on the target WJQ salary schedule. If the grade assigned under WJQ is the same as or higher than the grade assigned under the old classification system, then the individual hired, promoted, or transferred into the temporary position will be paid the salary appropriate to the position based on the stage of implementation of WJQ as outlined above.

The WJQ evaluation of a temporary position which will initially be filled for three (3) months or less will be based on a description of the duties and responsibilities of the position (written on the Personnel Action Requisition), and a WJQ Custom Part II: Job Questionnaire which will be completed by the supervisor. The WJQ evaluation of a temporary position which will initially be filled for greater than three (3) months will be based on both the WJQ Part I: Job Description and Part II: Job Questionnaire which will be completed by the supervisor.

8. Following ratification and approval of the Memorandum of Agreement, re-evaluations of existing positions will be conducted only under the WJQ (Custom) system. Implementation of the results of the re-evaluations will be consistent with the intent behind overall WJQ implementation as outlined in points 1. through 3. above.

The new language for 17.01 through 17.09 from the 1992-94 Memorandum of Agreement will replace the current 17.01 through 17.09 in the collective agreement. In addition, this Letter of Agreement which will be appended to the collective agreement as Appendix D will be referenced in Article 17.

9. When the results of WJQ (Custom) have been fully implemented as outlined in point number 2. above, the current classification system of job evaluation will be completely discontinued and all positions in the bargaining unit will be evaluated using WJQ (Custom) only.

Note: Temporary evaluations under WJQ will continue to be handled in accordance with the second paragraph under point number 7 above.

10. Appendix A of the current collective agreement will be amended by removing the level designations for the current classifications. Following ratification and approval of the Memorandum of Agreement, the current classification position titles in Appendix A will be reviewed by a committee of two (2) persons appointed by each party with the objective of more appropriately defining and describing the types of jobs within the workplace. This committee shall make its report to the parties within sixty (60) calendar days of the date of ratification. Any recommendations arising out of their report must be ratified by the parties. Each party will submit the recommendations to its respective principals within thirty (30) calendar days of the date of the report.

11. The Letters of Agreement on Language Allowance, Scientific Technicians Allowance, and Industrial First Aid Attendant Premiums will terminate when the Memorandum of Agreement comes into effect. However, an employee who is receiving an allowance or premium under one of these Letters of Agreement on the day before this Memorandum of Agreement comes into effect will be eligible to continue to receive her/his salary on the former salary grid plus the allowance or premium provided that the employee and her/his position continue to satisfy all of the other terms and conditions which were contained in the original applicable Letter of Agreement. Such employees shall continue to receive the allowance or premium in addition to their salary on the former salary grid until such time as the salary which the employee would otherwise be entitled to receive under the WJQ implementation plan exceeds the salary which the employee is receiving on the old salary grid plus the premium or allowance.

12. The parties agree that the WJQ (Custom) job evaluation system used by the parties to evaluate positions shall not be amended or changed in anyway except by mutual agreement of the parties.

13. If the Provincial Government does not approve the WJQ (Custom) job evaluation system and results for pay equity funding, the parties will meet to negotiate a new or revised plan for the distribution of the pay equity funds.

LETTER OF AGREEMENT

BETWEEN

SIMON FRASER UNIVERSITY (THE UNIVERSITY)

AND

THE CANADIAN UNION OF PUBLIC EMPLOYEES,

LOCAL 3338 (THE UNION)

The parties agree that the following appeal process will be available to any employee who is eligible for Long Term Disability Insurance and who is informed by Manulife Financial that his/her application for Long Term Disability Benefits is denied or that the Long Term Disability Benefits which she/he has been receiving from Manulife Financial will be terminated because she/he is not totally disabled.

Within thirty (30) working days from the date of the letter from a Manulife Financial representative which informs an employee that Long Term Disability benefits are denied or will be terminated because the employee is not totally disabled, the employee may apply in writing to appeal the decision of Manulife Financial. The written application to appeal must be made on the standard form and must be accompanied by a standard written release which is signed by the employee and which allows Manulife Financial and Simon Fraser University to provide all related documentation to the physician who will be reviewing the appeal. The appeal and release forms must be provided to the Executive Director, Human Resources or designate at SFU and copies must be provided to the Manulife Financial representative and the Business Agent for CUPE, Local 3338 within the time limit specified above. The Executive Director, Human Resources or designate will contact Dr. Neva Bonita Hilliard's office within three (3) working days of receipt of the application to appeal and will ask that office to arrange an appointment for the employee with Dr. Hilliard within two (2) weeks from the date of contact. If Dr. Hilliard is not available within two (2) weeks, then Dr. Hilliard will identify a

replacement physician who will be contacted by Dr. Hilliard's office to arrange an appointment for the employee within the two (2) weeks.

Dr. Hilliard or her replacement will meet with the employee and may conduct a physical examination, require laboratory tests, refer the employee to a specialist, consult with the employee's family physician, and/or obtain additional information regarding the employee's education, training, and experience. Following a review of all of the information provided through Manulife Financial and Simon Fraser University as well as information obtained directly, Dr. Hilliard or her replacement will make a final and binding decision on whether the employee is totally disabled as defined in the Long Term Disability Benefit Plan Document between Simon Fraser University and Manulife Financial Limited as follows:

"Totally disabled employee: an employee who is wholly and continuously disabled due to illness or accidental bodily injury and, as a result, is unable to perform the duties of his normal occupation or the duties of any occupation for which he is fitted by education, training or experience."

Dr. Hilliard or her replacement will provide a decision on whether the employee is totally disabled in writing to the employee, the Executive Director, Human Resources or designate, at SFU, Manulife Financial, and the Business Agent for CUPE, Local 3338. If Dr. Hilliard or her replacement decides that the employee is totally disabled, then the written decision will include reasons for the decision and will identify the date when the employee became totally disabled.

Dr. Hilliard or her replacement will provide a detailed invoice of her/his total fees and related expenses to the University and to the Union. The University and the Union will each pay one half (1/2) of the total fees and expenses.

If additional relevant medical information becomes available within thirty (30) working days from the date of the letter regarding the decision of Manulife Financial, but prior to an application to appeal the decision, the employee must provide the additional medical information to Manulife Financial within the thirty (30) working days for further consideration of the employee's application or claim prior to making application to appeal. Manulife Financial will review the additional medical information and will notify the employee of their decision on the application or claim within fifteen (15) working days following receipt of the additional medical information. The deadline to appeal will be extended until thirty (30)

working days following the date of the letter from a Manulife Financial representative outlining the decision of Manulife Financial following the review of the additional medical information.

This agreement will be in effect for a period of one (1) year from the date of signing and from year to year thereafter, unless one of the parties to this agreement serves notice to terminate this agreement on its anniversary date. Notice must be served in writing to the other party a minimum of thirty (30) calendar days prior to the anniversary date which will be the date of termination.

RE: Additional Continuing Part Time Employee Work (Library and Bookstore) .

The University and the Union agree that for the duration of the collective agreement, the below noted procedures for the assignment of additional available work for continuing part time employees working at the W.A.C. Bennett Library and the Bookstore (SFU Burnaby, SFU Vancouver or SFU Surrey) will apply. The amount of additional hours to be assigned to eligible continuing part time employees will be at the discretion of the respective Department. It is further acknowledged that nothing in this agreement will impact on the past practice in the two Departments involving the priority assignment of employment to students.

- (i) Continuing part time employees seeking to work additional hours in their department will make this desire known, in writing, to their supervisor. Such notification will include the times and days which the employee is available for additional work.
- (ii) Additional work that becomes available with seventy-two (72) hours or less notice to the supervisor will be first offered to continuing part time employees on shift when the additional work is offered.
- (iii) Additional work that becomes available with more than seventy-two (72) hours notice to the supervisor will be offered to continuing part time employees.

(iv) All additional work that becomes available will be first offered to continuing part time employees able to work the entire available shift or block of shifts, without preventing them from completing their normally scheduled shifts. Where there is no continuing part time employee available to take the entire available shift or block of shifts, the Department will assign the required additional hours or shift(s) to any available continuing part time employee(s) so as to require the least number of employees being moved from their normal shift.

(v) In the assignment of additional work primary consideration will be given to availability, ability and qualifications. When two or more part time continuing employees are available, the part time continuing employee with the greater seniority and the ability to perform the additional work shall be assigned.

(vi) The assignment of additional work shall not result in overtime, without the prior approval of the supervisor.

LETTER OF AGREEMENT
BETWEEN
SIMON FRASER UNIVERSITY
AND
THE CANADIAN UNION OF PUBLIC EMPLOYEES,
LOCAL 3338

Re: LIFEGUARDS

The University and the Union agree that this Appendix constitutes the wages and working conditions for all persons employed as Lifeguards by the University and for whom the Union is the bargaining authority.

The University and the Union agree that the Articles of the Collective Agreement apply to the Lifeguards except as modified below:

Article 2 - Definitions

Student Lifeguard Employee: An employee who is currently registered as an SFU undergraduate student taking six (6) credit courses during the academic term that he/she is working, or having taken a total of twelve (12) credit courses in the two most recent semesters, registered in the Professional Development program, a co-operative education program, or a Graduate Studies degree-granting program.

A non-student lifeguard may be hired in the event that no qualified student lifeguard is available for a specific program or shift.

Lifeguards are defined as temporary employees and as such pay in lieu of benefits will be paid pursuant to Articles 2.01(c) and 52 of the Collective Agreement.

Article 17 - Job Re-Evaluation and Reclassification

The parties agree that this Article does not apply to the Lifeguards but that the Union reserves the right to raise the issue of the applicability of the Article at the next round of collective bargaining.

Article 19 - Contracting Out Specialty Services

The Employer reserves the right to allow SFU Varsity programs, the Department, any SFU organization that has a member(s) who has taken all the necessary training at the University and has met all the certification criteria set by the University, to use their own designated individuals (such as coaches, assistant coaches, course instructors, assistant course instructors or others) to act as either the primary and/or back-up lifeguard.

The Employer reserves the right to continue its past practice to allow any non-SFU organization that has a member(s) who has taken all the necessary training at the University and has met all certification criteria set by the University, to use their own designated individual to act as the back-up lifeguard.

Article 22 - Employee Training and Development

The Department will pay the cost of the CPR (Cardio Pulmonary Resuscitation) re-certification course for student lifeguard employees who have worked in the past semester, where such re-certification is arranged through or set up by the Recreation Services and Athletics Department at the University. The cost of re-certification taken other than at the University will not be paid by the Department.

The Department will pay the cost of the NLS (National Lifeguard Service) re-certification course for student lifeguard employees, where such employees have worked at least three hundred (300) hours in the previous three (3) semesters. The cost of re-

certification taken other than at the University will not be paid by the Department.

All time spent for re-certification for CPR or NLS is the responsibility of the employee and is to be done on the employee's own time.

Time spent at mandatory in-service training sessions will be paid by the Department at the employee's normal rate of pay.

Article 24 - Hours of Work

Student Lifeguard Employees will work the hours assigned based on the respective semester Shift Schedule. Hours of work are up to seven (7) per day or thirty-five (35) per week. Hours in excess of seven (7) per day or thirty-five (35) per week shall be paid over-time.

The parties acknowledge the serious financial impact to the SFU Pool of overtime. Any employee choosing to work additional hours that will result in overtime must obtain prior approval from his/her supervisor.

Article 26- Shifts and Shift Differentials

No shift differentials are applicable for Lifeguards.

Shift Schedule

Prior to the commencement of the semester, an interim schedule will be posted. This schedule will be in effect for no longer than the first three (3) weeks of that semester. At the beginning of the fourth (4th) week of that semester a final schedule will be posted.

Employees wishing to be considered for work in the upcoming semester will submit their availability on the appropriate availability sheet to the Aquatic Coordinator or designate no later than the first (1st) Friday of each semester. Should an employee fail to submit an availability sheet by this date, he/she will not be placed on the schedule for that semester, except as noted below.

Normally, employees will be scheduled for a maximum of twelve (12) hours per week. If additional shifts are available, such shifts will be assigned following the procedure used in creating the final schedule. If additional shifts remain available, the University may assign such shifts to employees who submitted late availability sheets.

In creating the final schedule, the University will take into consideration the seniority, qualifications, which may include experience of the employees, and the equitable distribution of shifts.

Consecutive Day Off

An employee will normally receive two (2) consecutive days off per week but may choose to waive this provision by indicating so on their availability sheets. Such waiver will not result in overtime unless the employee works in excess of thirty-five (35) hours per week.

An employee anticipating working overtime shall obtain prior approval from his/her supervisor.

Additional Employee Work

Employees seeking to work additional hours will make this desire known, in writing, to the Aquatics Coordinator.

Where an employee has indicated her/his availability to work extra shifts and a shift becomes available which is contiguous with a scheduled shift (ie. the additional hours immediately precede or immediately follow the scheduled shift), the extra shift will be assigned to this employee as follows:

- a) if there is less than seventy-two (72) hours notice of the additional hours, the employee will be assigned the additional hours if the employee agrees to work them.
- b) if there is greater than seventy-two (72) hours but less than two (2) weeks notice of the additional hours, the shift extension will be assigned to the employee and the employee will be notified.

- c) if there is greater than two (2) weeks notice of the additional hours, the shift extension will be assigned to the employee and be recorded on the schedule. The revised schedule will be posted and such posting will constitute notice to the employee of the shift extension.

It is the responsibility of all employees seeking additional work to regularly check the posted schedule for the assignment of such additional work.

Additional shifts that become available that are not contiguous with any employee's scheduled shift will be posted where the employer has more than seventy-two (72) hours notice to the start of the additional shift. In cases of less than seventy-two (72) hours notice, shifts will be first offered to employees currently on shift. If no employee currently on shift agrees to work the additional shift, the employer will offer the shift to those employees who have indicated in writing their desire to work additional hours, taking into consideration the seniority, qualifications which may include experience, of the employees and the equitable distribution of shifts.

Employee Absences

When an employee is unable to work their scheduled shift, they are responsible for ensuring a qualified replacement employee will work the shift on their behalf. If a replacement employee agrees to work the shift for the originally scheduled employee, the replacement employee becomes responsible for attending the shift as scheduled. If taking that shift will result in working overtime, the replacement employee must obtain prior approval from the employee's supervisor.

The parties acknowledge the serious nature of employee absences. On the first occasion an employee does not attend a scheduled shift, (or one he/she has agreed to work that was originally scheduled for another employee) he/she will receive a verbal warning. On the second occasion, he/she will receive a written warning. The third occasion will result in a suspension, and the fourth will result in termination.

When an employee is absent from work and it is impossible for that employee to arrange for a replacement he/she may apply to his/her supervisor for a waiver from discipline under this section. Request for such a waiver shall not be unreasonably denied provided the merits of the particular case warrant the provision of such a waiver.

Where an employee has been disciplined pursuant to this article, but has subsequently worked for one full semester with no further discipline, their disciplinary record involving absence from work will be reduced by one step.

Shift Cancellation

The Employer has the right to cancel previously scheduled shifts when operational needs require. When such shifts are cancelled due to operational requirements, the affected employees will be given as much notice as is reasonably possible. An employee will be paid for a cancelled shift if fewer than twelve (12) hours notice is given.

Time Between Shifts

An employee may choose to work split shifts or to pick up additional shifts including on a day with a regularly scheduled shift, regardless of the amount of time between shifts and will not be paid overtime unless the total time worked exceeds seven (7) hours per day. If the split shift occurs over more than twelve (12) hours, and only where the employee has obtained prior approval, the employee will be paid overtime for the hours in excess of twelve (12).

An employee choosing to work a split shift that will result in overtime must obtain prior approval from his/her supervisor.

Article 30 Meal Periods

Any lifeguard working a shift greater than four and one half (4 1/2) continuous hours will be paid one-half (1/2) hour for a meal break, during which break the lifeguard is to be available for work and remain within whistle range to respond to any calls.

Article 44 Extended Leave Without Pay

Lifeguards may make an application for leave pursuant to this Article, however, where such leave is granted, seniority will be frozen as of the date of the commencement of the leave and will recommence upon return to work, unless seniority has been lost pursuant to Article 12.04.

APPENDIX N (NEW)
LETTER OF AGREEMENT
BETWEEN
SIMON FRASER UNIVERSITY
AND
THE CANADIAN UNION OF PUBLIC EMPLOYEES,
LOCAL 3338

Joint (University/Union) Committee for Review of Job Evaluation

1. The parties agree to establish a Joint Committee that will conduct a Review of Job Evaluation. The Committee shall be composed of three (3) representatives from the University and three representatives from CUPE Local 3338. It is agreed that the Union or the University may seek additional advice or assistance from other individuals when needed.
2. The Joint Committee's mandate is to:
 - (a) Identify whether the current system and processes can be significantly improved to meet the current and future needs of the parties and shall consider, but not be limited to reviewing of 2006 Bargaining Proposals C14, C16, M5 and M6, and, if significant improvements to the current system and processes do not seem possible or practical, then the joint committee shall conduct a review of other job evaluation systems, related technologies and processes;

- (b) The joint committee shall make recommendations to their principles without prejudice or precedent by no later than March 30, 2007; however, nothing precludes the joint committee from making recommendations to improve the current system or processes at any time.

EARLY INCENTIVE LUMP SUM

A maximum lump sum payment of \$3,265,000 (total bargaining unit cost) is made for employees represented by CUPE Local 3338, to be distributed as per a formula (1) and paid as soon as reasonably possible after ratification and approval of the new collective agreement expiring March 31, 2010, and subject to receiving ratification and approval with no job action. The following formula shall apply:

1. A maximum one-time lump sum payment of \$3,850 per full-time equivalent (FTE) to continuing employees;
2. Lump sum payments shall be pro-rated based upon the number of regular hours worked between April 3, 2005 to March 31, 2006, and the total bargaining unit cost:

Calculation examples: 1820 hours worked = $1820/1820 = 1.000 \times \$3,850 = \$3,850.00$

1456 hours worked = $1456/1820 = 0.8000 \times \$3,850 = \$3,080.00$

910 hours worked = $910/1820 = 0.5000 \times \$3,850.00 = \$1,925.00$

3. The term “worked” means regular hours for which an employee is being paid including approved paid leave (i.e. vacation, sick leave, WCB leave, winter closure and general holidays) and would also include approved maternity, parental and adoption leave and, for the purposes of this formula only, shall also include the October 21, 2005 “day of protest”;

4. The formula calculations shall be based upon first deriving the value for continuing employees lump sum payments from the total bargaining unit cost amount and then the residual value of the total bargaining unit cost amount shall be applied to temporary employees based upon the hours they have worked between April 3, 2005 to March 31, 2006.
5. The lump sum payments shall be paid to employees who are on the SFU's payroll between March 5, 2006 and March 31, 2006;
6. The lump sum payments are subject to normal statutory deductions;
7. No individual shall receive more than \$3,850 regardless of the number of appointments within the CUPE Local 3338 bargaining unit or in another employee group(s) at the University;
8. Upon written authorization provided to Alan Black, Manager, Pensions and Benefits within seven (7) calendar days of ratification, continuing employee(s) on active payroll, may choose to designate the total lump sum payable amount to the University's Group RRSP program; and
9. Continuing employees acting in temporary APSA position appointments shall be considered continuing employees for the purposes of clause 1 and shall receive their lump sum payments from the CUPE bargaining unit total allocation.

Note: For the purposes of the formula calculation, the numbers shall be rounded to the 4th decimal.

FISCAL DIVIDEND BONUS

THE PARTIES AGREE AS FOLLOWS:

Having agreed that the term of the Collective Agreement is to be from April 1, 2005 to March 31, 2010, a Fiscal Dividend Bonus may be paid from a one-time fund (the “Fund”) generated out of monies, in excess of \$150 million, surplus to the BC government, as defined in the Province’s audited financial statements, for the fiscal year 2009-2010.

1.0 Fiscal Dividend:

1.1 If fiscal dividend funds are determined to be available, a Fiscal Dividend will be paid as soon as reasonably practical.

1.2 The quantum of the Fund accessible for the parties to this agreement will be based on the Province’s audited financial statements as at March 31, 2010.

The Fund will be determined as follows:

- i. The calculations will be based on the surplus, as calculated before deduction of any expenses associated with the Fiscal Dividend Bonus, achieved in fiscal 2009-10, as published in the audited financial statements for that fiscal year, provided that the surplus is in excess of \$150 million.
- ii. Only final surplus monies in excess of \$150 million will be part of the Fund, and the total quantum of the Fund for the entire public sector (including all categories of employees) will not exceed \$300 million.

- iii. The quantum of the Fund will be constrained by the proportion of the public sector that is eligible to participate in the Fiscal Dividend Bonus i.e. 100% of the Fund will be available if 100% of all categories of employees in the public sector under the purview of the Public Sector Employers' Council participate, but if a lesser number participate, a proportionately lesser amount of the Fund will be available.
- iv. Additionally, the Fund will be proportioned among all groups of public sector employees by ratio of group population to total population participating.
- 1.3 The Fiscal Dividend Bonus will be paid to each eligible employee who is on the active payroll on March 30, 2010.
- 1.4 To facilitate the implementation of this Letter of Agreement (fiscal dividend) the parties will meet no later than six months after the publication of the audited public accounts for fiscal 2009-2010, to review the formula for the dividend payment, and the resulting payments to be made.
